CS 3100, Spring 2020, Assignment 4 – 100 pts total – Due Dates on Syllabus

There are four graded problems. Relevant files are in the directory `ASSIGNMENT-4` in directory `06_RE/` and there is only one, namely

    `u1234567_asg4_Prob1234.ipynb`

    As with Assignment-1, Zip the folder and submit!

Example: If your UNID is `u1234567`, then you'll be making a folder named `u1234567`, and putting the FULLY SOLVED file

    `u1234567_asg3_Prob1234.ipynb`

    into that folder, Zip the folder, and submit.

    All the details are in the above ipynb.

    There are four problem carrying 25 points each.
